

## WHO IS Integrative Therapeutics, Inc.?

ITI is the United States leading manufacturer and marketer of proprietary, specialty dietary supplements to medical professionals.

Improving patient health and well-being is paramount to ITI. For that reason, we are closely connected with the medical community. Our products and their ingredients have been the subjects of more than 2500 independent, peer-reviewed published clinical trials and studies. Some of the nation's most prestigious and well-respected scientists and health professionals serve on our Scientific Advisory Board and provide expertise to ensure our supplements are the best natural medicines available.

ITI® has been a strong advocate of the naturopathic community since the company's inception over 30 years ago. We are honored to partner with AANP to help ensure future leadership in integrative medicine, foster the expansion of graduate medical education and support licensing for Naturopathic Physicians.

ITI is proud to work in collaboration with the American Association of Naturopathic Physicians and participating schools:

- Bastyr University
- National College of Natural Medicine
- Southwest College of Naturopathic Medicine
- University of Bridgeport  
College of Naturopathic Medicine

The STAIR<sup>SM</sup> Residency Scholarship Program reflects ITI's continued commitment to the Naturopathic community.

# THE ITI-AANP STAIR<sup>SM</sup> RESIDENCY SCHOLARSHIP PROGRAM<sup>†</sup>

## Encouraging the Next Generation of Naturopaths to "Step Up" to Success.

Integrative Therapeutics, Inc (ITI<sup>®</sup>) is pleased to announce its continued sponsorship of the STAIR Residency Scholarship Program in collaboration with the American Association of Naturopathic Physicians (AANP). This unique scholarship will offer two fully paid postdoctoral naturopathic residencies. The residency provides an amazing opportunity for new graduates to experience a truly integrated residency with time spent at both a naturopathic practice and an MD managed integrative medicine practice.

ITI has been a strong advocate for the Naturopathic community since the company's inception over 30 years ago in Portland, Oregon. Naturopathic physicians have played a key role in the company's development and ITI is proud to partner with the AANP to help ensure future leadership in integrative medicine, foster the expansion of graduate medical education, and support licensing for Naturopathic Physicians. The STAIR Program reflects ITI's continued commitment to the Naturopathic community.

The STAIR Residency Scholarship Program offers postdoctoral Naturopathic Physicians a unique and vital preparatory step for future opportunities and to "step up" to the next level of professional success. These residencies provide real world experience for graduates in practicing natural medicine and running a naturopathic and integrative medicine clinic.
